Prophetic Word Given by Robert McKinney

America, America

America, America Land of the Free, Home of the Brave?

When you were conceived, you were birthed by My Hands; My Word was your rule. My love was placed in your heart. You were loosed into My Freedom, and the Son of Righteousness was your standard. My Spirit of greatness was upon you and I caused you to become the greatest nation on the face of the earth. You prospered because out of you I would spread My Gospel to the world. I placed this mandate upon you and even though there were trials to come I would cause you to overcome for your eyes were still on Me. I have used you to bring defeat against evil forces of bondage over Europe, because you still clung to the One True God. But even in this you began looking to other gods. You say America is a melting pot. I did not say so. I did not call you to melt with other cultures that embraced other gods. You began leaving and setting aside My Word, The Holy Bible. You began fabelizing it, perverting it by saying "I have rights." Minorities have rights; everyone has rights but My Gospel.

You have forgotten that The Gospel is My Power unto Salvation. Indeed I called for a separation between government dictatorship and My Gospel. For apart from The Gospel there is no freedom, only bondage. Since you want to embrace other cultures of other gods, I am lifting My Hand and My Glory. Unless you repent, My people, and call on My Name and embrace My Gospel, other nations will overrun you. The Liberty Bell did not crack by accident, but it prophesied of the day when you, America, would break My covenant with you declaring your independence from Me. Ezekiel 14:12-20 says, "Only My people will deliver themselves." EACH ONE MUST MAKE THEIR OWN CHOICE TO FOLLOW ME.

America, America your time grows short. My people pray, pray for America to return to Me. Take your place, My people; take the stand, the stand for true freedom.

Freedom is not about rights, it's about being free to love Me without restraint, open and exuberantly. Freedom is all about caring for others more than yourself, not about 'I have rights'; for this kind of thinking will always lead to bondage of the god of self. Come out from this form of thinking, this form of religion, because I am not in it.

Remember, have love one for another. Peace I give you, not as the world gives, but as only I can give.

*The Liberty Bell rang each year from 1752 until 1835. The Liberty Bell cracked during John Marshall's funeral. John Marshall was instrumental in introducing big government to the United States of America.
