## Recent Happenings

This month brought many new faces and a lot of familiar ones. We had people step up to the open mic to share in song, singing, poems and their thoughts in general. We've updated our website to include new pictures and links. We've made a presence on both Yahoo and Google maps and reviews of The Filling Station can even be found there. People as far as Toronto stopped in and even promised to be back! God is good! We plan on bringing new events in the future to include comedy stand-up and improv and even activities such as chess matches.

### Focus on: Ronna Brunot

Since everyone who comes to The Filling Station is a friend (either an old or brand new one!), each month we will focus on one of our customers so that everyone can get to know them.

Ronna recently started attending open mic night and has shared by playing and singing. She left the Edinburg area on 17 January to attend college in Pretoria, South Africa where she will be studying Theology and then to continue her studies to eventually become a 3<sup>rd</sup> grade teacher. (The young kids just love her!) Ronna will be missed but we are excited about her new adventure and the opportunities that await her!

## Fill 'Er Up!

Each month, one of the owners of The Filling Station shares something they have learned. This month Jake shares his thoughts on how God is working in so many different ways!

Wow – This month has gone by so quickly but great things have happened and I (hopefully) have learned something this month as well. God has shown me that He calls people in different ways and that He blesses those that respond to His call. Within the last month, I've seen people leave for schools in other states and even in other countries. I've seen people step outside of their comfort zones to share His word in church and in public settings. And they have not only stepped outside of their comfort zone but they have done it BOLDLY! Go God!

I've also been reminded that God is with us always, in the good AND in the bad. My car recently broke down on the highway and then caught fire. My first thought was "uh oh!" and then I prayed "God, don't let anyone run into the back of me." I got out of the car and before I could even dial 911, an unmarked police car was right behind me with his lights on. God had placed him there before I even asked! I wasn't hurt at all but the insurance company totaled out the car. The fire burned itself out (Thank you God!) and was contained within the engine compartment. But I'm not worried. If God can take us when we are burned out and broken and make us whole, with His help, we can do the same to a car! See you at The Filling Station and look for my restored car out front! – In His Service, Jake
